PHOTOGRAPHS - from Charles Edmondson's Concert and opening of the Christmas Tree Festival are available on the web site.

THANK YOU TO FLUTES & CO - Their concert on Sunday afternoon was well attended and we heard a very varied and surprising variety of items.

CHARLES CELEBRATORY CONCERT - This splendid concert in early-December marked a very special day for Charles and the re-dedication of our renovated/refurbished organ which was revealed with "all stops out." The appreciative audience responded most generously and just under £500 has been given to both the St. Paul's Organ Fund and the Emily Gyles Bursary Fund for Ovarian Cancer Research. Thank you to everyone, especially to Eileen and Charles for organizing everything so wonderfully. See our website for more.

CAR PARKING 2020 - Car parking permits for this year are available - £45 for one car, £65 for two. Application forms are available at the back of both churches. Please return with the necessary cheque to John Peat.

PENS - For whatever reason our supply of pens is dwindling so if you have any spare pens at home please put them in the pot on the table at the back of church.

Please join us for refreshments after the Service.

THANK YOU - to Venerable Penny, Canon Derek and Reverend Sue for taking our Christmas services and keeping an eye on our spiritual welfare over this busy period. Sue and Derek had also reworked our service liturgy. Charles had pre-recorded the music for two of the services and this was played with great success by assistants Bill and Tony through the new equipment installed on our organ; Joan temporarily deserted her family to play for us on Christmas Day morning; Susan and Bill acted again as wardens. Thank you to everyone.

CHRISTMAS TREE FESTIVAL (CTF) - Congratulations to Margaret Ratcliffe and Gill Webster on organizing and master-minding our very successful CTF held during the month of December. Football was less than in previous years but generosity even higher, so we are donating £600 each to WaterAid and the North West Air Ambulance. Thank you to everyone who helped and worked on this project, especially Margaret and Gill who devoted many hours throughout the year.

CHURCH OPENING - Now that the work on the organ is completed, the daily opening of St. Paul's has been resumed from 9.00 a.m. to 4.00 p.m. everyday.

CHRISTINGLE - This service was again an unqualified success. The Rev'd Sue Wilson updated the words and led the service with tenderness and charm - the children (and the adults) were spell-bound. The pupils of Grange C of E School had collected for The Children's Society in their special cardboard "candles" and, along with the generous donations on Christmas Eve, we raised over £340 which has been sent to the Society for their work with under-privileged children.

ADDITIONAL PCC MEETING - This will be on Tuesday, 21st January, at 7.00 p.m. in the Fell Church to discuss the Team re-organisation proposals.
