## FOR REFLECTION:

Authentic praise of God acknowledges what is true about God; it responds to qualities that are "there" and not simply "there for me". In other words, God is to be praised because God is God, because of what God is and does, quite apart from what God is and does for me.

God is to be praised because of what has already been done for us and will be done for us; that we cannot do for ourselves, because that is the kind of reality God is.

- Leander Keck

After this Sunday's service we intend to take all of the Christmas decorations and other stuff currently stored in the cellar room adjacent to where the CH boilers are, and bring them out into the church. This will allow a small number of congregation members to sift through everything and then what is required will be removed back into the cellar room mid-week in a tidy manner in readiness for the Q.I. process which is scheduled for Thursday Feb 19th.  
Thankyou from Colin.
