FOR REFLECTION:

"Have patience with all things but first with yourself. Never confuse your mistakes with your value as a human being. You are perfectly valuable, creative, worthwhile person simply because you exist. And no amount of triumphs or tribulations can ever change that."

"If, when stung by slander or ill-nature, we wax proud and swell with anger, it is a proof that our gentleness and humility are unreal, and mere artificial show."

"The same everlasting Father who cares for you today will care for you tomorrow and every day. Either he will shield you from suffering or give you unfailing strength to bear it. Be at peace then and put aside all anxious thoughts and imaginings."

— *Saint Francis de Sales*
