FOR REFLECTION:

"O God, when my faith gets overlaid with dust, blow it clean with the wind of your Spirit. When my habits of obedience get stiff and rusty, anoint them with the oil of your Spirit. Restore the enthusiasm of my first love for you".
"All the persons of faith I know are sinners, doubters, uneven performers. We are secure not because we are sure of ourselves but because we trust that God is sure of us".
"Feelings are great liars. If Christians worshipped only when they felt like it, there would be precious little worship. We think that if we don't feel something there can be no authenticity in doing it. But the wisdom of God says something different: that we can act ourselves into a new way of feeling much quicker than we can feel ourselves into a new way of acting. Worship is an act that develops feelings for God, not a feeling for God that is expressed in an act of worship".
- Eugene H. Peterson
