FOR REFLECTION:

"I see no point in Christian preachers just recycling the kind of stuff you can get from any kind of soft left liberal. Because everyone is giving us that and if I want that I'll get it from a Liberal Democrat councillor. If you're a Christian, you think that the entire fabric of the cosmos was ruptured when by some strange singularity someone who is a God and a man sets everything on its head in a massive singularity that is at the very heart of things. If you don't believe that it seems to me, you're not a confessional Christian. So, if you believe that, it should also be possible to dwell on all the other weird stuff that traditionally comes as part of the Christian package. It seems to me that there's a deep anxiety about that. Almost a sense of embarrassment; sort of, "Oh Jesus was really just a nice man". But no. He's a bit more than that. It's stranger and weirder". -Tom Holland. *Dominion*.

Post Communion Eternal Father, we thank you for nourishing us with these heavenly gifts: may our communion strengthen us in faith, build us up in hope and make us grow in love; for the sake of Jesus Christ our Lord. **Amen.**
