FOR REFLECTION:

"The fundamental problem in the evangelical world today is that God rests too inconsequentially upon the church. His truth is too distant, His grace is too ordinary, His judgment is too benign, His gospel is too easy, and His Christ is too common". - *David F. Wells*

"You put yourself with God, empty perhaps, but hungry and thirsty for him; and if in sincerity you cannot say that you want God you can perhaps tell him that you want to want him; and if you cannot say even that perhaps you can say that you want to want to want him!"

- *Archbishop Michael Ramsey*

"Let God's Word enter your very being. Let it take possession of your desire and your whole way of life. Feed on goodness and your soul will delight in its richness"

- *Bernard of Clairvaux c11th*
