FOR REFLECTION:

"Faith is that movement whereby we accept God's nearness, and his nearness must always mean the death of the ego."

— Ruth Burrows, *To Believe in Jesus*

"It is refreshing and salutary, to study the poise and quietness of Christ. His task and responsibility might well have driven a man out of his mind. But He was never in a hurry, never impressed by numbers, never a slave of the clock."

"You can throw the whole weight of your anxieties upon him, for you are his personal concern."

"The truth taught by Jesus Christ is the right way to live. It is not primarily a religion, not even the best religion but God Himself explaining in terms that men can readily grasp how life is meant to be lived."

— J. B. Phillips
