## FOR REFLECTION:

"We stand before a burning bush whenever other human beings share with us something of their relationship with God or something of the movements of their hearts. In such moments may be always realize that we stand on holy ground." *Margaret Silf*

"As the genuine religious impulse becomes dominant, adoration more and more takes charge. 'I come to seek God because I need Him', may be an adequate formula for prayer. 'I come to adore His spendour and fling myself and all that I have at His feet', is the only possible formula for worship." *Evelyn Underhill*

If you are able to help, please sign up on the sheets which are placed on the piano. Any offers of mince pies would also be gratefully received (sheet to sign up also on the piano) Thank you so much for your support.

**Collect** Heavenly Father, whose blessed Son was revealed to destroy the works of the devil and to make us the children of God and heirs of eternal life: grant that we, having this hope, may purify ourselves even as he is pure; that when he shall appear in power and great glory we may be made like him in his eternal and glorious kingdom; where he is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever. **Amen.**
